Bracknell BID Tidy Days

**Wednesday 30th March and Thursday 31st March
12pm - 2pm | Wickes Car Park, Western Road, Bracknell.**

The BID is organising Tidy Days to keep Bracknell Tidy, fulfilling the BID's aims to develop amenities and schemes, benefits and events for those who work in the BID area to promote the feeling of community, pleasant surroundings, and a sense of well-being. The Tidy Days are part of the BID's wider strategy in working to maintain and improve the general condition and appearance of roads, footpaths, cycleways and grass verges.

Thousands of commuters and residents everyday use the roads, footpaths and cycle lanes in the Bracknell BID area in travelling to their workplace, and has become a staple in people's everyday lives in Bracknell. For this reason, we want to keep this area as litter-free as possible and we need your help.

Keep Britain Tidy

Keep Britain Tidy is an independent charity that aims to eliminate litter and improve places, with an annual national Spring Clean focus between the 25th March to 10th April focusing on litter collection.

Why should you partake?

By helping out within our Tidy Days, you'll be helping to make Bracknell a better place to work, improving the appearance and the environment, as well as helping to serve your local community.

Come for as little or as long as you like, the litter picking sessions are for anyone who can spare as little as 10 minutes of their time as they can in helping to improve their community.

Volunteers will be provided with all the necessary PPE and equipment by the BID including litter pickers, hi-vis, gloves and a refreshment for helping to clean up your local community!

Volunteers must be 18 years or older to participate and participation is at volunteers' own risk. Volunteers are asked to wear appropriate footwear and clothing for the Tidy Day events.

Join us in keeping Bracknell tidy through our Bracknell BID area community litter picking sessions at **12pm – 2pm on Wednesday 30th March and Thursday 31st March**
