Bracknell BID Tidy Days

Bracknell BID are taking part in the Great British Spring Clean by organising Tidy Day sessions over a two-day period, to help clean up the Southern and Western Business Area through community litter picking sessions.

Thousands of commuters and residents travel every day to their workplace using the roads, footpaths and cycle lanes in the Bracknell BID area. For this reason, we want to keep this area as litter-free as possible and we need your help.

Why should you partake?

By joining our Tidy Days, you'll be helping to make Bracknell a better place to work by improving the appearance and the local environment. Come for a short amount of time or for the whole afternoon, the litter picking sessions are for anyone who can spare as little as 10 minutes of their time in helping to improve their local community.

What will volunteers be provided?

- ➔ All necessary PPE and equipment (including litter pickers, hi-vis, bags, and gloves)
- ➔ Refreshments

Volunteers must be 18 years or older to participate and participation is at volunteers' own risk. Volunteers are asked to wear appropriate footwear and clothing for the Tidy Day events.

Join us in keeping Bracknell tidy through our Bracknell BID area community litter picking sessions at **12pm – 2pm on Tuesday 21st March and Wednesday 22nd March 2023**

If your business would like to get involved in other environmental enhancements such as tree planting or landscaping, let the BID team know by emailing enquiries@bracknellbid.co.uk.
