

Business support, when you need it

START-UP BUSINESSES

HELP KICK START YOUR BUSINESS

If you've got a great idea or you've just started and need some support, we can help your business get off to the right start.

We offer:

- Fully funded support
- Online business resources
- Access to free business start-up webinars
- Advice from experienced business professionals
- Access to our Running Your Business support upon completion

START-UP PROGRAMME

If you have the drive and ambition to set up your own business, but you're not sure what to do next, this structured programme can help you to take the first steps.

The programme includes advice on:

- Business fundamentals
- Sales and marketing
- Financial management
- Business planning & funding
